EYFS and KS1 Nativity Performances

Tickets for the EYFS and KS1 Nativity performances will be available from the school office next week. Please contact Miss. Crook to reserve them for your family.

Fencing at Bolton Arena

Well done to the Y5 and Year 6 children who took part in the fencing event at Bolton Arena. We are lucky we get to experience new activities like this and the children thoroughly enjoyed experiencing a different sport.

Parkrun this Sunday

We are excited for our first community parkrun this Sunday at 9am at Queens Park, Bolton. We only have a few children joining us on this first event but every journey starts with one small step. We look forward to sharing some pictures and details of the event next week. course | Queen's Park junior parkrun, Bolton

Rucksacks in KS2

Children will no longer be allowed to bring rucksacks to school due to health and safety and space issues. Any rucksacks brought in after the 15th December will be removed and kept in the front office for parents to collect.

Parking monitoring

Our road safety ambassadors and JLT will be monitoring parking on Newnham Street and Seymour Road over the next couple of weeks. Please make sure you arrive early and park considerately. Please do not park on the zigzag lines or stop in the middle of the road to let your children out. Both these are inconsiderate and dangerous.

Wild Wood

Our next class in The Wild Wood is **Year 2** on **Friday 5th December**. Please send your child into school on this date with suitable clothing and a pair of wellies. We have waterproof clothing available for children in school.

Medication in School

We encourage parents to schedule their child's medication so that they don't need a dose during the school day. If your child has been prescribed antibiotics 3x daily, they can take all three doses outside of school hours and therefore the school will not administer it. Only prescribed medication will be administered in school, so if your child requires paracetamol/ ibuprofen parents will be required to come to school to give the medication. All medication brought in to school must be in date, brought in their original container, labelled with your child's name. Any leftover medication must be collected by parents.

Parent Survey

A parent survey will be sent out separately to this newsletter, if you have a few minutes this weekend to complete it, we welcome all honest feedback.
