**St. Paul's CE Summer Fair 5th July 1pm-4pm**

Tomorrow is the day of our summer fair. We do hope you can join us to help us raise as much money as we can for our school.

**New Reception Starters**

On Wednesday we welcomed our new Reception starters for their second 2 hour. I was lucky enough to spend time in there and it was wonderful to see them all having fun and making new friends.

**Y6 Transition Day**

On Wednesday all but one of our Y6 children had their transition days at Secondary School. I have received lots of really positive feedback on how much they enjoyed the day and how well they represented the school and themselves.

**Y1 trip to Bolton Museum**

On Wednesday our Y1 children went to Bolton Museum to visit the Dino Workshop which links with our learning of Mary Anning and David Attenborough. The staff commented how much the children had gained from the visit.

**Y6 swimming**

Y6 have begun their swimming up at Sharples this week. This is a fantastic chance for them to build on the progress they made during their time in the pool on the playground. We are hopeful we will have more children reaching the national expected standard for swimming than in previous years.

**Edgehill aspirations visit**

On Thursday 10 children from y5 & Y6 had the opportunity to visit Edgehill University to learn about what happens at university, explore one and take part in a PE session and a Maths session. It was a brilliant day and all the children enjoyed the experience and behaved impeccably.

**Moving up morning**

Tuesday saw all our classes move up to their new class for the morning, meeting their new teachers and getting used to their new surroundings. It was wonderful to walk round and see the level of excitement in all the classes.

**BWFC Season Tickets**

We have once again been given a family season ticket for school use for Bolton Wanderers games. If you would like to use the tickets, please contact Miss Crook in the office.
